Mr. McNamara

I received my Settlement November 13, 2011. I personally want to thank you for your response to our case relating to Cyncar. I have never been so impressed by a Law Firm as yours and the personal responses you continued to follow up on in our behalf.

This has been a surprisingly victorious event for all of us. I was so tired of requesting FMLA and my doctor jumping hoops only to be denied FMLA. I could not give them a time frame and frequency of my condition. What a difference in response time we get because of this victory.

Thank you so much for your hard work. If I can be of further service giving testimony against the Post Office in the future do not hesitate to ask. My coworkers and I will always be grateful for your service to us. No one can understand the treatment we undergo on a daily basis except yourself from hearing our complaints. Thank You and I wish you a wonderful Thanksgiving and a wonderful Holiday Season.

Sincerely,

12-6-11

Dear Todd,

I just want  
to thank you  
and your staff  
for all the hard  
work you did  
on the Cypress  
Class Action suit.  
I know it was  
not an easy task.  
I also thank you  
for including me

in the settlement.  
I am truly  
grateful.

Thanks again.

Best Wishes,

Wichita, KS

Thank You, so much, for  
Your thoughtfulness everything—  
is greatly appreciated. It was well  
worth the wait and now, this to, shall  
pass.

Warm regards, for all your  
hard work and for taking care of  
all of us.
